

Entire Fraser Valley Backs "C" St. Project

"I feel your problem is one worthy the best consideration the government can give," was the commitment made by Hon. C. S. Leary, provincial minister of public works, in relation to the "C" Street project when he spoke at a complimentary luncheon tendered him in Abbotsford on Wednesday. Hon. Mr. Leary said he would not make a definite promise at this time, but, when the funds for his department this year were known, he would return to the district with his engineers, again view the project to directly link the Washington and British Columbia highway systems via Huntingdon-Sumas, and he hoped then to be able to be more definite. He stressed both at the Abbotsford meeting and at Chilliwack in the evening that he appreciated the importance of creating a good impression immediately tourists entered Canada and that to do this it was necessary to have highway connections that were creditable.

Tendered under auspices of Abbotsford & District Board of Trade, the luncheon in honor of the recently-appointed minister of works received exceptional support of public men throughout the Fraser Valley. Ninety men, representative of all districts from Port Moody to Agassiz and Langley to Chilliwack attended and a copy of the register bearing their signatures, offices and address has been forwarded to Mr. Leary at Victoria.

H. E. Beetlestone, president of Abbotsford & District Board of Trade, who presided, expressed appreciation of this support as well as of the personal attendance of the minister. In urging a start be made on construction of the "missing link" Mr. Beetlestone pointed out the present unsatisfactory connections were a definite obstacle to tourist traffic and the subject of criticism by many visitors.

In introducing the minister, Reeve George Cruickshank of Matsqui drew attention to the representation as indicating the valley was united in favoring the project. L. H. Eyres, M.L.A., Chilliwack, declared the link was a vital one in the highway system and D. W. Strachan, M.L.A., Dewdney, pointed to the large delegation from the north side as evidence of support. Others speaking on behalf of construction of the mile of road included: Reeve S. Mussallem of Maple Ridge, Reeve A. C. Hope of Langley, Reeve Alex Houghton of Sumas, who later piloted the motor caravan around the present roads, Reeve W. A. Jones of Kent who declared Agassiz was definitely interested as the situation existing was a detriment to tourist traffic; L. R. Wilson of Mission, past president Associated Boards of Trade. Also speaking in favor of it were R. C. Cox of Mission Board of Trade who introduced some 40 men from Commission at the home of Mrs. O. W. Benedict, where the ladies of the local Red Cross served refreshments.

Mr. Leary diverged to comment in highly complimentary terms on what he had seen in company with members of Abbotsford Board of Commissioners, of the Philip Sheffield high school. He was particularly impressed, he said, with the facilities for training boys and girls to do things for themselves. In company with Harry Anderson, district engineer, Mr. Leary went on up the valley after viewing the "C" Street project with a representative group of those who attended the luncheon. He inspected work at Jones Creek and later returned to Chilliwack where he addressed the annual dinner-meeting of the Board of Trade. Several officers of Abbotsford & District Board also attended the dinner at Chilliwack.

MISS JUNE BEHARRELL HEADS MUSIC CLUB

The first meeting of the Melody Music Club, under the direction of Mrs. R. B. Anderson, was held at the home of Mrs. W. Swanson, Ridgedale. A short business meeting was held in which June Beharrell was elected president, Betty Cooper, secretary-treasurer, and Alice Beharrell as press correspondent. A program followed with piano selections by Alice Beharrell, Betty Cooper, June Beharrell, Margaret Beharrell, Hilda Saunders, Donald Mundy and Billy Swanson. The meeting concluded with a contest and a vote of thanks to Mrs. Swanson for the use of her home.

The new forest park in Clearwater district, north of Kamloops, announced by the British Columbia lands department, will be known as Wells Gray Park, after the minister of lands. The new park comprises about 1800 square miles of forest and lake country, noted for excellent hunting and fishing.

PRESIDED

H. E. BEETLESTONE

whose first official duty since his election as president of Abbotsford & District Board of Trade last month, was to arrange and preside over the luncheon tendered Hon. C. S. Leary last Wednesday in Hotel Atangard, Abbotsford. Ninety representative citizens of all parts of the Fraser Valley attended the affair.

Legion Branch Elects H. Day As President

ANNUAL MEETING WELL ATTENDED; SPECIAL MEETING IS ARRANGED

There were nearly 70 members in attendance at the annual meeting on Thursday night of Abbotsford-Sumas-Matsqui Branch, No. 15, of the Canadian Legion B.E.S.L. The Area was well represented also as there were members from Aldergrove, Vedder Mountain, Mount Lehman, Matsqui and Huntingdon and the district between.

A review of the past year preceded the election of officers. President H. Matthews was chairman and satisfactory reports were submitted. The auditors' report was read by R. Ralston and the Club report by H. Peachey; both received generous applause for the manner in which they had carried out their duties.

ACCLAMATION

Harry Day of Sumas was elected president by acclamation, Cpl. C. J. Young, the only other nominee, withdrew his nomination in a short speech in which he expressed a desire to see the Legion advance in this district and be maintained as an organization.

MOTOR SHOW PLANS MAKING GOOD PROGRESS

Farm tractors are joining the sleek 1940 automobiles in the first M.S.A. Auto Show and Carnival being held in Abbotsford on Feb. 28 and 29, under auspices of the B.P.O. Elks.

Premises of the former Weir garage, loaned through courtesy of McLennan, McFeeley & Prior Ltd., are in process of transformation. Crews of volunteer workers have given the place a thorough going over, the former open front has been walled in with lumber and, free of obstructions and partitions, the interior provides a spacious auditorium. Lighting and decorations committees are now at work.

Tickets sales have met with gratifying response, it was reported at the B.P.O.E. meeting last night and committees in charge of the stage shows, dances, and carnival features also reported satisfactory progress and that they were receiving encouragement and co-operation. The big two-day event is being advertised throughout the Fraser Valley on both sides of the river and much interest is being shown in the varied program of entertainment.

PROPOSE RAISING LEVEL OF PORTION OF OLD HIGHWAY

Negotiations are being conducted by Sumas municipal council, with the co-operation of the Dyking Commission and Harry Anderson, district engineer, on a proposal to raise the old highway across the "lake" area above snow and water level. About 2½ miles of highway between No. 3 and No. 5 road is concerned in this project. The negotiations also include, according to Reeve Alex. Houghton, reconditioning of the balance of the highway.

MOVING PICTURES TO BE SHOWN AT MATSQUI HALL

A program of motion pictures will be presented in Matsqui hall annex on Thursday, Feb. 15, at 8 p.m., under auspices of Abbotsford & District Board of Trade. The pictures, in color, will include unusual farming operations, beautiful Vancouver gardens, Royal Visit to Vancouver, May Day at New Westminster and the stock parade at Vancouver Exhibition. Officers of the board will be present and speak briefly on objectives of board of trade work.

Election Interest Stirring

CRUICKSHANK NAMES CAMPAIGN MANAGER; BARBER IN DISTRICT

Apart from the fact that enumerators are scurrying around in an endeavor to complete their task of registering all persons eligible to vote before the end of the week, there has been very little activity apparent in connection with the forthcoming Dominion election.

Principal interest so far centres on the announcement that John P. Wheeler, well-known Chilliwack business man, former president of the C.C.F. party in the Fraser Valley and C.C.F. candidate for Chilliwack riding in a provincial election, will be campaign manager for Reeve G. A.

(Continued on Page Eight)

EMPIRE AIRFIELD FOR SUMAS?

Reports current on Tuesday that word had been received at the coast that one of the 77 training points to be set up in Canada this year in connection with the Empire Pilot Training program is to be established on Sumas Prairie could not be verified up to the time of going to press. H. J. Barber, M.P., Chilliwack, had no information on it Tuesday afternoon when in Abbotsford nor had the Vancouver press.

Reeve G. A. Cruickshank of Matsqui, Liberal candidate in the approaching Federal election, who, it has been known for some time, has been actively interested in promoting the establishment at Chilliwack or Sumas of a unit of the Empire Air-Training program, refused to comment at the present time but intimated he expects to be in a position to make an important announcement in this connection within the course of a few days.

Engineers To View Matsqui Dyke at Bridge

COUN. SIMPSON NAMED ACTING REEVE; SCHOOL TAX DELEGATION TOPIC

A delegation comprising Messrs. Baker, McConnell, Henry, Gledhill and Vesterback appeared before the monthly meeting of Matsqui municipal council on Saturday and discussed school and other taxation. Mr. Baker, as spokesman, asked if any solution had been arrived at over school taxation and also led discussion for the delegation on assessment matters. Regarding the former, the delegation was told that the council is awaiting the outcome of a conference being arranged by the director of education for the M.S.A. Area. Regarding the latter, it was pointed out the Court of Revision of the Assessment Roll takes place on Thursday and it would be necessary to

Library Book Circulation Exceeds Quarter-Million

At the annual meeting of the Board of Management of the Fraser Valley Union Library, held at Abbotsford on Wednesday, Jan. 31, J. W. Winson of Huntingdon was re-elected chairman. Reeve S. Mussallem of Maple Ridge was elected vice-chairman and George F. Pratt of Abbotsford honorary treasurer. Other members of the executive committee are Reeve John Hunter of Surrey, Alderman Pook of Chilliwack, and William Hep-tonstall of Hatzie Prairie representing rural school districts.

RE-ELECTED

J. W. WINSON

of Huntingdon who on Wednesday last was re-elected as chairman of the Fraser Valley Union Library which has its headquarters in Abbotsford.

Births at M.S.A. Hospital

- Jan. 29—To Mr. and Mrs. R. Endacott, Aldergrove, a son.
- Jan. 31—To Mr. and Mrs. John Gross, Abbotsford, twin daughters.
- Feb. 1—To Mr. and Mrs. Abe Loewen, Abbotsford, a daughter.
- Feb. 4—To Mr. and Mrs. Wm. Walker, Abbotsford, a son.
- Jan. 17—To Mr. and Mrs. Bailey Whitson of Powell River, a son.

The chairman, in his remarks, touched on the highlights of the year: Lady Tweedsmuir's visit, the entrance of Nicomen Island Rural school district into the library service, and provincial grants of books and cash amounting to \$240. He expressed regret that Langley Municipality had withdrawn from the library district, but this was in no way the fault of the library board or staff. Langley municipal council has taken advantage of general powers granted in the Municipal Act to contract for library service for the first three months of 1940, which was considered a reasonable time in which to permit the library organization to re-adjust administration of services. In the meantime, a petition is being circulated among Langley electors seeking re-entrance into the union library district. The chairman assured members of the board that, from his own observation, the library administration watched the expenditure of the taxpayers' money as carefully as if it were spending their own money.

IMPROVED SERVICE

Two alternative budgets were adopted for 1940, the normal one making provision for Langley's resumption of membership in the library, the other providing for economies resultant from that municipality's discontinuance at the end of March. In any case, there will be no change in the library tax rate for other municipalities and rural school districts. Economies effective on Langley's withdrawal would make it possible to budget proportionately more for new books in 1940 than in 1939. In addition to this there is good expectation of increased provincial book grants, so that under any circumstances this year readers may look for improved service. The budget for new books will be between \$5000 and \$5600.

RECORD CIRCULATION

The outstanding feature of the librarian's report for 1939 is a record all-time high in book circulation, which jumped by 15,000 to the total of 206,676. As further evidence of steadily increasing appreciation of library service, there is an increase in registration and in the number of requests for books, which increased from 12,635 to 14,154.

Following the meeting, members of the board were entertained as guests of the Abbotsford Village the north side; Tom Robertson of Chilliwack Board of Trade and O. W. Benedict of Abbotsford Board, who introduced those resident of the south side. The vote of thanks was proposed by Angus Campbell.

Mr. Leary, in reply, declared that from what he had seen himself, been told by his engineers and observed from the maps given him, it was obvious the road should be constructed. He stressed the interest of his engineers in the project and said they had already purchased a source of material for the fill that would be necessary. He saw obstacles, however. It would be necessary to eliminate all railway crossings at present in use to secure the necessary Federal help. Land for the right-of-way would also be required, but he was sure the farmers concerned would be fair.

BOOK DONORS

The library has many gifts of books to again acknowledge. The following is the latest list of donors: J. H. Nevill, Abbotsford; F. G. Carlaw, J. Pelly, Chilliwack; Mrs. J. Croft, Mr. Sutherland, J. Adams, Cloverdale; Mr. Holland, Haney; Tynehead Game Farm, W. R. Pearson, Langley Prairie; Geo. E. Smith, Agassiz; Dr. Jervis, Millner; R. Ball, Clayburn Village; Mr. Gray, Whalley's Corner; Mr. Prince, Port Mann; Mrs. Francis, Fleetwood; besides anonymous gifts from Aldergrove, Huntingdon and Chilliwack.

M.S.A. FIGURES

Statistics reported to the meeting revealed that in the Matsqui-Sumas-Abbotsford Area there were 33 library agencies, 3262 borrowers utilizing the services of the F.V. Library and that book circulation in the Area last year totalled 37,237 volumes.

RE-ELECT DIRECTORS

Directors and members of the advisory board were re-elected by acclamation at the annual meeting this morning of the Locker Cold Storage co-operative.

SCHOOL CHOIRS BROADCAST NEW WORLD BALLADS

The Canadian Broadcasting Commission is about to enter upon a novel experiment which has as its purpose the interesting of Canadian children in ballads having to do with the history of their own country. This will take the form of a series of five broadcasts based on John Murray Gibson's recently published book "New World Ballads". The broadcasts will take place on successive Friday evenings beginning January 26 between the hours of 7.00 to 7.30 eastern standard time, and will be heard from eighteen stations covering the entire country.

Three of the programmes will originate in Toronto and the ballads will be illustrated by a group of girl singers picked from Toronto high schools and singing under the direction of Leslie R. Bell, Director of Music, Ontario College of Education, University of Toronto.

The balance of the programme will originate in Montreal with ballads sung by the Westhill High Singers, a group of girls from Westhill High School. This choir is under the direction of Irvin Cooper, Supervisor of Music for the Protestant Board of School Commissioners in the City of

Montreal, and lecturer at McGill Conservatory of Music. An interesting feature of the experiment is that school children in Ontario have been instructed to "listen in" as part of their home work, and it is expected that in other provinces the same action may be taken. The attention of the school-children of Quebec Province is also being drawn by Dr. W. P. Percival, Director of Protestant Education to these broadcasts in the interests of school and community singing. Upper picture shows the Montreal choir, and the lower picture the Toronto choir.

Abbotsford, B.C., Wednesday, February 7, 1940

Surpassed All Expectations

There occurred in Abbotsford on Wednesday last a demonstration of unusual import, one that has won interest and remark not so much for the purpose for which it was held but for the manner in which it was supported.

This Matsqui, Sumas, Abbotsford Area has for weary years fought for an improvement it believes to be not only for the benefit of itself but for its neighbors, the rest of the province and even the Dominion. It has sought a gateway at the strategic Port of Entry that happens to be situated here that will be a credit and an asset to the country instead of a black-eye. More recently this Area has won the active support of its neighboring districts in this effort.

No one anticipated, least of all the Abbotsford & District Board of Trade which sponsored Wednesday's affair, the demonstration that took place to spotlight the public's sincerity in submitting this project to the government. It transcended as a dozen representative speakers observed, politics, boards of trade, municipal councils and individuals no matter how prominent. It amazed not only its sponsors and all present but the guest of honor—the provincial minister of public works. Hon. Mr. Leary admitted this, stating: "You could not get a better representation in the whole of the province."

Ninety men, Reeves, councillors, trade board officers, government members of opposing parties, public men, business men, farmers dropped their own pursuits for a day to appear before a responsible representative of the government and say, regardless of politics and personal interest, regardless of the fact their homes and affairs were nearby or miles from direct benefit from the project, that here is something we deem in the public interest, something regarding which there should be no further unnecessary delay.

In this gathering in Abbotsford was represented the constructive principle of democracy fully at work. The entire Fraser Valley can look upon its assembly as an achievement beyond even the merit of its original objective. Governments can take heed of a constructive force that has overcome all the ballyhoo of radicalism of which so much is heard and the public can and has from all comment since heard, take new heart in the efforts of its public bodies and the community effort of many of its men.

* * *

Abbotsford's Foundation For 1940

In this paper last week was published the financial statement for the year 1939 of the Corporation of the Village of Abbotsford. It was spread, in considerable detail, for all who cared to read. There was much information in it and its readers found the finances of the town in a healthy state. A bank balance, not large but sufficient to meet emergencies. Taxes raised and obviously, so little being available, carefully spent. A public works project of long standing, the augmented water-works, completed for the present at least. From this springs hope that other public works, notably street and lane improvements, can now be tackled. As trading centre for the large and growing Matsqui-Sumas district, Abbotsford has need as well as responsibility to anticipate requirements, to present a worthy appearance, develop the strength the hub of a wheel (to which it is so frequently likened on the public platform) should have. The job is not alone for the Board of Commissioners. Each citizen has the privilege and responsibility of offering constructive criticism and suggestion—putting a shoulder, in other words, to the aforementioned wheel.

B.C. Indians Shame Vancouver's Mayor

In the daily press of Monday appeared two stories in such marked contrast that the principle of one, in these times and under present circumstances puts the other to darkest shame. In the one the descendants of the aborigines of this proud province, in short the Indians, through their organization The Native Brotherhood of B.C., announce their decision to forego all their claims on the Dominion until the war ends. They have said: "When Canada and the Empire are at war, we, the Native Indians of B.C., are also at war."

In the other the mayor of Canada's third largest city, steps into a foreign and neutral country to say a lot of things that are anything but a contribution to the job in hand, the winning of the war. His very freedom to say these things is the stake for which Canada and the Empire are fighting. If we have dirty linen to wash let it be washed at home. And, even if the man so unfortunately elected to a position of prominence does not, the Indians of this province realize that the time to settle our differences regarding our form of government and war effort is not during a death struggle but after we have regained the hope of continuing to enjoy personal liberty and freedom of choice in these matters. And that time will not be until the British Empire and its Allies have won the war forced on us by Germany.

* * *

Plan Our Soldiers' Tomorrow Today

On Monday the Canadian Legion, British Empire Service League, will open a drive for funds to carry on an important job with which they have been entrusted by the authorities in charge of the Canadian war effort. The sum they are asking for is comparatively small, \$500,000, and the work on which it will be spent in no way overlaps that of the Red Cross recently handsomely supported by all true Canadians able to contribute, nor that of the Salvation Army or Y.M.C.A. and similar bodies.

The undertaking entrusted to the Canadian Legion is prompted by the experience gained from the last Great War, or rather from the aftermath of it. Thousands of young Canadians, not a few from the M.S.A. Area, have joined our military forces. Military life is a life by itself. They are in it on our behalf. We are not a war minded race and do not purpose maintaining an army of aggressive proportions. Our present military force is created purely to regain peace for ourselves in co-operation with or on behalf of similarly minded nations. Therefore, when this war is over, we must be prepared with the necessary mechanisms to change the military life these thousands of our men are engaging in back into civil life.

Agricultural News and Notes of Interest to Local Farmers

SEED CLEANING

FIRM ORGANIZED

Ontario Seed Cleaners, Ltd., a new Canadian company with headquarters in Toronto, plans to institute specialized and custom seed-cleaning operations for the trade. Members of the firm operate similar plants in Yugoslavia and Hungary and bring experience in the European seed industry to the new undertaking. Canadian activities will cover special treatment of forage seeds and will draw on both the western and eastern Ontario's agricultural districts. E. J. Mayer is president of the company and J. Eros is the secretary.

B. C. POULTRYMEN

URGED NOT TO QUIT

Warning was issued Saturday by Hon. K. C. MacDonald, minister of agriculture, for poultry raisers not to deplete their flocks, and to housewives that they place reasonable quantities of eggs in storage "as a safeguard against higher prices that will prevail later on in the year."

MARITIME FARMERS

ASK LOWER RATES

FOR FEED GRAINS

Hog raisers in the Maritimes are asking for a reduction in the freight rate on feed grains from the prairies so that they can compete with the western farmer in raising pork for the domestic and United Kingdom markets.

The New Brunswick farmers claim that the western farmer is able to sell hogs at a greater profit because feed costs them \$4 to \$6 less a ton than in New Brunswick.

The problem would be solved, it was said, if Maritime farmers could bring grain feed from the prairies at the freight rate applicable to export grain.

OFFER AID TO

PRODUCE QUALITY

CHICKS CHEAPLY

Although the largest proportion of chicks produced today is hatched in mammoth incubators, there is still a great number of farmers and private breeders operating small units. For those who desire to use the small incubators, the Dominion Department of Agriculture has issued a revised circular on "Artificial Incubation" to enable the production of high quality chicks at lowest possible cost. In choosing an incubator, the size and type of machine required will depend on several factors, such as the number of chicks to be hatched at one time, the length of the hatching season, the number of hatches that can be taken off successfully, the size of the breeding units, and the type of fuel to be used, whether electricity, coal or coal oil. In short, the choice will depend upon the individual requirements of the poultryman concerned.

The circular deals in detail with everything important that should be known—the location of the incubator, the kind of incubator, how to operate it, temperature, humidity, turning the egg, testing of eggs of other species, source of eggs for hatching, holding eggs for incubation, and other information. The circular may be obtained free of charge on request from the Publicity and Extension Division, Dominion Department of Agriculture, Ottawa. Mention you read of it in THE NEWS.

G. Peardon, Local Manager

TO THE ELECTORS OF FRASER VALLEY

AS YOUR REPRESENTATIVE I am taking advantage of the first opportunity of addressing you since my return from the final session of the parliament just closed. The session was perhaps the most extraordinary in the history of Canadian Parliaments, in that it began and ended on the same day.

BY THIS "BLACKOUT" of parliament the Prime Minister dodged the necessity of giving an account of his stewardship in the five months of war to the only possible forum where the effort of the nation in war could be reviewed with question and answer. If Mr. King could defend his conduct of the war he had nothing to fear. The fact that he has abused his authority to choke off any parliamentary discussion is presumptive evidence that he feared the effect of such discussion on his political future. He is asking the country to sign a blank check and will plead it is done in the sacred name of patriotism. He says he wants a mandate from the people—he did not require a mandate to put the country into the war in the first place—but he requires one now to carry on the war. Thus the specious plea of the Prime Minister is given "let the people decide" but the dice are loaded when he deliberately administered a "blackout" to the people on all necessary information on which a decision can be based. The revelations will have to be made from the hustings, although the government possesses a dictatorial instrument in the War Time Regulations Act, whereby speakers, commentators and editors will incur the risk of going to jail, even for telling the truth.

JUST CONTRAST THE war-time situation in Canada with that in Great Britain. Here, except for three days session last fall, we have had a dictatorship through the first vital and crucial months of the war—in Great Britain on the other hand parliament has been in almost constant session and many changes in government regulations and even in policy have been made as a result. This contrast is of special interest at a time when the Canadian Prime Minister has refused to meet the Canadian Parliament. Here is another contrast; During the brief session last fall Dr. Manion as leader of the official opposition offered full co-operation of his followers and assured the Prime Minister that he would refrain from criticism during the period between sessions. Dr. Manion lived up to this to the letter and when complaints reached him, he immediately brought them to the attention of the Prime Minister by letter. Dr. Manion's offer was entirely ignored—he was not consulted nor his letters replied to by Mr. King. How different in the "old land" where Mr. Chamberlain has been in constant touch with the leaders of the opposition.

THE CALLING OF an election at this time is most unfortunate but I cannot be held responsible for that, nor the party with which I am associated; Now that the election is on it gives all right thinking people an opportunity to work and vote for a government that has as its goal the victorious termination of this war and not merely the advancement of its own political ambitions.

LET ME SAY, particularly to the women of the district, that it will be most difficult to carry the election through and still do our bit for the boys overseas but if we budget our time we can see that neither effort is neglected.

THE ISSUE IN the campaign on which Canada now enters is quite plain:

ON THE ONE SIDE—is close party control under Mr. King with evidence of the abuse of patronage on every hand;—refusal to consult any member of parliament outside the party circle.

—refusal to permit parliament to scrutinize the war effort of the country.

—a policy of dilly-dally with result that our war effort has lagged principally because of lack of preparation.

—unjust treatment to our boys who have enlisted for service and their dependents.

ON THE OTHER HAND—We have the pledge of Dr. Manion, M.C., to create a truly National Government which will include the best brains in the country regardless of party affiliation.

—a government that would automatically dispose of the threat of patronage and of methods which will not stand the test of parliamentary scrutiny.

—energetic prosecution of the war in close co-operation with Great Britain.

THE TASK BEFORE US today is to win the war and the measure of this country's contribution may prove to be the determining factor. Is Canada making its maximum contribution? This question you are called upon to answer.

THIS WAR IS Canada's war and not the war of the Liberal party nor of the Conservative party—it is everybody's war, to which the best talent of the country must be given and many good Canadians believe this can best be done by setting up in this country a truly National Government under leadership of one who has been through the fire, who knows the efforts and sacrifices that must be made to ensure victory.

BEFORE CLOSING LET ME warn you to be on your guard against a whispering campaign—a type of campaign that some people will stoop to. It has already commenced. Some of the disciples of Mackenzie King have passed the word along that Manion will adopt conscription, that he will take your boy to the war. This has been a very successful cry in Quebec in past campaigns. That statement is false as Dr. Manion made clear in parliament and is recorded in Hansard that he was opposed to conscription of man power. The present government has been unable to clothe and equip the men who have volunteered and surely no one would suggest conscription under such conditions.

SEE THAT YOUR NAME is on the voters' list; enumerators will call on you this week.

One who has served you,

H. J. Barber

M.A.S. BRANCH CANADIAN RED CROSS SOCIETY

MAN'S SLEEVELESS SWEATER

(Reprinted from The News of Oct. 11, 1939, by Request)

2 No. 7 Needles (if tight knitter, use No. 6) 9 to 10 oz.
4-ply Fingering wool (double knitting).
For back: Cast on 80 stitches.

Knit 2 plain, 2 purl for 4 inches. Knit plain until sweater measures 23 inches in all. Knit 28 stitches and slip on to extra needle; bind off next 24 stitches for neck, and knit remaining 28 stitches for 10 ridges to form shoulder. Then at opening of neck knit 6 stitches, make 1 and knit to end of row. Increase as above every second ridge, until there are 40 stitches on the needles. This will form V for neck. Break wool and join to other shoulder and knit the same way as the other side. Then knit the 80 stitches plain, until with the 10 ridges of shoulder, it measures 19 inches. Then 4 inches of ribbing; this finishes the front. Sew up sides leaving 8 inches for armholes. Finish armholes and neck with one row of loose single crochet.

MT. LEHMAN WOMEN FURNISH RECIPES FOR CURING PORK

While quite a little space has been devoted in the columns of THE NEWS in recent months to the raising of hogs to meet the British Columbia market need and release supplies at present obtained from the Prairies for Empire use, little has been written about home consumption. THE NEWS is indebted to Mrs. C. M. Coghlan and Mrs. Clover of Mt. Lehman for the following recipes for curing pork on the farm. Mrs. Clover secured them from the Animal Husbandry Department of the University of Saskatchewan, Saskatoon, and brought them to B.C. with her as they proved most successful and better than any others tried.

DRY SALT PORK

For each 100 pounds of pork, weigh out 5 pounds salt, 3 pounds sugar and 2 ounces saltpetre; mix thoroughly and rub the meat once every three days with a third of the mixture. While the meat is curing it is well to have it in a barrel or box which should be kept in a cool and rather moist place. A week or ten days after the last rubbing the meat will be ready to hang up and smoke.

SUGAR CURED HAMS AND BACON

Rub each piece well with common salt, allow it to drain over night; then pack evenly in a barrel, placing the larger pieces, such as the hams and shoulders, in the bottom and packing the bacon around and on top of them. Make a brine by using 8 pounds of salt, 2½ pounds of granulated sugar, 2 ounces of saltpetre, 4 gallons of water, and boil. Skim well while boiling. This amount should be sufficient to cover 100 pounds of meat. If not, make more up in the same proportion. When cool pour over the meat. In summer time it is well to watch the brine and if by testing with the finger it is found to be "ropy or stringy" it should be thrown out, the meat washed and new brine made. Bacon strips should remain in this pickle from four to six weeks; hams and shoulders 6 to 8 weeks. If they are left in too long they are apt to become too salty for the average taste. After the hams or bacon strips are removed from brine they may be smoked and will then keep nicely throughout the entire summer. Before smoking, however, the meat should hang for at least 72 hours to dry, for if smoked immediately it is taken from the brine, it will turn very dark in color.

This is a standard recipe and will, if directions are carefully followed, turn out cured meat of the very finest quality and flavor.

At a meeting of the vestry at Holy Trinity Church, Archbishop A. U. de Pencier remarked that it would probably be his last meeting here. He said he was contemplating retirement.

BATTS

Take advantage of your old discarded woollen garments by having them made into light, fluffy batts for comforters and quilts. Seven pounds of used wool is all that is necessary to obtain a filler for a warm and beautiful 5-lb. comforter. The charge for this service varies with the weight of batt wanted. The maximum charge for a full-size (72x90) finished 4-lb. batt is but \$1.50, which includes washing, mothproofing and delivery.

Comforters made, new wool washed, mothproofed and carded. All work guaranteed.

Vancouver Batting Co.

LADIES' AID RE-ELECTS OFFICERS

Poplar United Church Ladies' Aid met at the home of the president, Mrs. H. C. Green, on Thursday afternoon when the annual election of officers took place. All officers of the previous year were re-elected, namely: Mrs. H. C. Green, president; Mrs. F. Butcher, vice-president; Mrs. J. Weins, treasurer, and Mrs. J. Aitken, secretary. Reports by the secretary and treasurer recorded a very successful year. Plans were made for this year's work. A social time followed the meeting and dainty refreshments were served by the hostess.

NEW WORLD BALLADS

The second of a series of four programs presenting "New World Ballads," by John Murray Gibbon will be heard from Toronto over the National Network of the CBC on Friday, Feb. 2 at 4:00 p.m., PST. Ballads on Canadian themes chosen from Mr. Gibbon's latest published volume are being presented in these programs by specially selected choirs from schools of Ontario and Quebec.

EUPHONIOUS ERUDITION

Impressed by the euphony of ten dollar words, a freshman from Flint asked the Michigan Christian Advocate, "if the use of big words should not be cultivated?" "No!" instructed the editor. "Beware of platitudinous ponderosity. Sedulously avoid all polysyllable profundity, pompous prolixity, spittleaceous vacuity, flatulent garrulity, jejune babblement, ventriloquial verbosity and vainloquent vapidity."

MAY RETAIN LIBRARY

Langley municipal council promised representatives of the local library committee to consider continuation of the union library service provided 51 per cent. of the ratepayers sign a petition asking for its retention.

THE LIBRARY CORNER

Crusoe's Island in the Caribbean by Heath Bowman.

Two writers found a house with amiable but unreliable colored servants, on the Caribbean island Tobago. Here, for several months, they enjoyed the spell of the tropics, visited the planters, studied the history of the island and found solitude for writing.

The Lake of the Royal Crocodiles by Mrs. Eileen Bigland.

Description of the author's trip to Northern Rhodesia where a friend had established an estate in the midst of the beautiful region inhabited by the Bemba people. Her experiences in learning to know the natives are humorously told.

I Wanted to be an Actress by Katharine Cornell.

Simply-told story of the stage career of Miss Cornell from her early days in the stock company of Jessie Bonstelle to the present.

I Went to the Soviet Arctic by Ruth Gruber.

When in 1932 Miss Gruber received her doctor's degree from the University of Cologne, Germany, she was the youngest doctor of Philosophy on record. She arrived home in the United States only to be caught in the depression. After a discouraging interval, she got an assignment to visit the Arctic regions and find out how women were living and working in the Soviet Arctic regions.

A Cartoon History of Our Times by David Low.

Almost a hundred full-page cartoons, with a brief historical comment, picturing the progress of world affairs during the last six months.

YES MY DARLING DAUGHTER

SUNTAN YOURSELF IN YOUR OWN PLAYROOM
AWAY FROM THE RAIN AND WATER

With dank, dreary, sunless winter weather like ours, here's sound advice for building strong, healthy bodies. It's easy to get lots of sunshine—INDOORS—with a General Electric sunlamp. Like natural sunshine, it prevents and cures rickets in children, helps develop sound teeth, helps prevent common colds, helps develop good bone structure in growing infants. The whole family will benefit.

Abbotsford Paragraphs

Mr. and Mrs. A. C. Salt and Capt. and Mrs. F. J. R. Whitehead of Vancouver, all formerly of Abbotsford, were Sunday visitors of Mrs. Parton.

Lieut. P. F. Grossman, formerly of the staff of the F. V. Union Library here, was a visitor in Abbotsford last week and returned to barracks with three cartons of library discard books for the benefit of his men. The library has recently given similar books to one of the coast defense units, a branch of the service in which the men particularly appreciate reading matter in their off hours.

W. S. McDonald of Vancouver succeeds G. V. Ogle as C.P.R. agent at Mission.

Mrs. Bader, Sr., of Vancouver is visiting with her son, Mr. G. Bader, and Mrs. Bader.

Members of St. Ann's Church C.Y.O. held a surprise party at the home of Mr. and Mrs. M. F. Rochon on Monday evening in honor of Miss Edna Rochon who leaves on Feb. 19 to enter training at St. Joseph's hospital, Victoria. About 40 members and friends attended the affair and on behalf of the club, Rev. Father Mulcair presented Miss Rochon with a travelling rug. The evening was spent with contests and games. A buffet supper was served.

Rehearsals are in progress for a three-act comedy-drama, The Red-headed Step-child, to be presented late in March by the Abbotsford Community Theatre. Word has been received from the East that Don Lambert, R.C. A.F., of Abbotsford has been promoted to the rank of sergeant. Don, who is not yet 21 years of age, enjoys the distinction of being the youngest sergeant in the R.C.A.F. He is the son of Mr. and Mrs. H. Lambert.

A. W. "Slim" Webb is among the persons confined to home with bad colds or flu.

Much interest having been displayed in the formation of an Outdoor Club in Abbotsford and district, another meeting has been arranged for Monday night at 8 p.m. at The Teddy Bear. All those interested and over 18 years of age are invited to attend.

Matsqui

Mrs. Joe Dunson and family of Seattle are visiting Mr. and Mrs. Carl Gustavson.

Mr. and Mrs. Clarence Wagness, Miss Bonnie Wagness of Stanwood, Wn., and Mr. Milton Wagness of Fairbanks, Alaska, have been visiting Mr. and Mrs. O. Sorenson.

Miss Wanda Prasloski has returned from Nelson.

Miss Goldeen Sorenson entertained a few friends Sunday evening. Guests were: Misses Doris and Jean McCulloch, Jean Wallock, Eleanor Cameron, Messrs. Jack Jones, Roger Chester, Bill Damsen, Earl Kerr and Wilfred Young.

Mrs. W. Gilberg spent Saturday in Vancouver.

Victor Hansen spent the weekend at home.

(Continued from Front Page)
LEGION

for the benefit of all Returned Men and their dependents. He also promised his active support and help in building up the organization's social activities.

C. K. Morison also withdrew his name from nomination for the office of first vice-president in favor of E. A. Barrett of Abbotsford, declared elected by acclamation. W. Solomon of Aldergrove was also elected by acclamation as second vice-president. Election of the executive resulted as follows: F. Marshall, Vedder Mountain; Cpl. C. J. Young, C. K. Morison, O. T. Jacobson, R. Ralston, F. Holtsbaum, Abbotsford; T. Harris, Huntington; Coun. J. Simpson, Mt. Lehman; J. Aitken, Poplar. Reeve G. A. Cruickshank and J. Rowley acted as scrutineers. Harry Conway was re-elected by acclamation as Sergeant-at-Arms.

PRESENTATION

In a pleasing ceremony following the election, Mr. Rowley, on behalf of the donor, A. D. E. McKinnon of Aldergrove, presented a gavel of polished hardwood with a suitably engraved silver plate to the branch. Mr. McKinnon remarked he hoped the gift would remain the property of the club to be handed on in time to the young generation of Returned Men.

President-elect Day, in taking office briefly outlined the aims and ideals of the Canadian Legion B.E.S.L., and requested the members to at all times keep alive the spirit of comradeship.

SPECIAL MEETING

It was decided to hold a special meeting this Thursday, Feb. 8, to appoint a committee and outline plans for the financial drive commencing Feb. 12 on behalf of Canadian Legion's War Services.

USE THE "FOR SALE" ADS—

An executive meeting of the Associated Boards of Trade is being held at Mission on Friday afternoon. President H. Beetlestone, secretary Milton Switzer and other members will represent Abbotsford & District Board of Trade.

Demonstrations of the new-Ford tractor and wheel-less implements in Matsqui and Sumas are announced in this issue by Abbotsford Motors, Ltd.

Miss W. Mockford, daughter of Mr. and Mrs. A. Mockford of Pine Grove, has obtained employment in Abbotsford.

Hilbert A. Corbett

There was a large attendance at the Henderson Funeral Home, Abbotsford, on Wednesday afternoon for the funeral services of the late Hilbert Arthur Corbett whose death occurred at Straiton on January 29. Rev. Grieves of Vancouver officiated and interment was in Hazelwood cemetery. Pallbearers were H. Gordon, A. Barker, G. A. Morgan, W. Morgan, O. Williams and L. Smythe.

Esther Katherine Lundstrom

Funeral services for the late Esther Katherine Lundstrom of Matsqui, who died on January 31, were held from Gillies' Mortuary Home, Mission, on Saturday afternoon. Rev. A. McKay officiated and interment was in Hazelwood cemetery. Deceased, who was in her 38th year, is survived by her mother, Mrs. Emma Lundstrom, Harris road, five sisters: Mrs. F. P. Jacobson of San Francisco, Mrs. R. Dicklund, Mrs. R. Ostrum and Mrs. C. Powers of Seattle, and Mrs. C. Gropp of Matsqui; and three brothers, John, Joseph and Robert, all of Matsqui. Her father, the late Daniel Lundstrom, died in 1936.

Mrs. Emma Welch

Mrs. Emma Welch, a resident of Peardonville and Abbotsford for the past 43 years, died in the M. S.A. Hospital on Sunday morning. Widow of the late Albin Welch who died six years ago, Mrs. Welch had failed rapidly in health since she passed her 78th birthday on Jan. 15. During the past three years she had resided in Abbotsford, making her home with Mrs. E. W. Moulden. Home-stead with her late husband more than two score years ago in Peardonville when the land had first to be logged of big timber. Mrs. Welch raised a family of ten, three of which, two daughters and a son, predeceased her. There are surviving seven sons: Jesse, Snoqualmie, Wn.; Paul, Agassiz; Philip, Port Alberni; Albert and Bert, Bend, Ore.; Alan, Ladysmith, and Warren, Seattle. The funeral services take place this afternoon from Henderson Funeral Home, Abbotsford, to Hazelwood cemetery.

New Ford Tractor Introduced in Canada

WALLACE R. CAMPBELL, president, Ford Motor Company of Canada, Limited, examines one of the new Ford tractors which are now being introduced in the Dominion with a nation-wide showing by dealers. Seated on the machine is R. M. Sale, company sales manager, trying out the simple controls of the compact and versatile tractor which is equipped with a two-bottom plough. Ford dealers will also distribute the hydraulically controlled wheel-less implements designed for use with the tractor. Implements are coupled to the tractor by a unique linkage which is instrumental in the development of powerful traction without great weight.

This Tractor and the New Wheel-Less Implements

will be demonstrated on the farm of SUNDAR SINGH, SUMAS PRAIRIE, on MONDAY, FEBRUARY 12, at 1:30 p.m. (corner Trans-Canada highway and Whatcom road, 3 1/2 miles east of Abbotsford.)

SHOGEN FARM, MATSQUI, on TUESDAY, FEBRUARY 13, at 1:30 p.m. (next Bungalow Garage, Harris and Riverside roads, Matsqui Village.)

WE INVITE YOU TO ATTEND AND SEE THIS EQUIPMENT IN ACTION.

Abbotsford Motors Ltd.

M.S.A. School Notes

Aberdeen

OUR OWL

We had an owl at school. Anna and Joe brought it. It was a screech owl. It frightened Mr. Cotta, our janitor, one night. We had it for three days, then it got out and flew away.—Alvin Larson, Gr. 2.

THE ESKIMOS

We had fun making Eskimo igloos outside recently. We made them out of snow, and we made a tunnel into them. Grade 2's igloo was the best. It didn't fall down when we went in.—Janey McKendrick, Grade 2.

CARVING

The boys are carving dogs and sleds for our Eskimo sand-table. The girls made igloos with cotton batting. We are going to have half our sand-table for a winter scene and half for a summer scene.—Joe Zigay, Grade 3.

OUR GOLDFISH

We have two goldfish. The goldfish are in a bowl. The goldfish need water every day. The goldfish need food every day.—Linda Staf, Grade 1.

THE RHYTHM BAND

We started a rhythm band to keep time in the songs. We had no instruments so we brought cans and pot lids. We use nails to hit them with. The boys had drums at home, so they brought them. Irene Leib is the leader.—Anna Hrenyk, Grade 3.

VALENTINE'S DAY

Valentine's Day will be here soon. We are having a party. We are going to have a Valentine box, too. We made Valentines today.—Kelko Orida, Grade 3.

GIFT FROM GENEVA

We are very proud of a lovely portfolio sent to us from the children of the Marignou school in Geneva, Switzerland.

KNITTING

The girls in grade 3 are knitting wash cloths for the soldiers. We make them of string and they have to be ten inches wide. We are making soldiers' handkerchiefs, too.—Irene Leib, Grade 3.

OUR SCHOOL

Our school is six miles west of Abbotsford and two miles east of Aldergrove on the south side of the Cariboo highway. We have a white fence around it and the school is painted white, too. We have a flower garden at the front and there is also a flag pole and flag at the front of the school.

There are two classrooms and two basements. One basement is for the boys and one is for the girls. There are forty-five pupils in our room, namely grades four, five and six. There is a library at the back of the room and there are three blackboards that we use. I like to go to school.—Lois Larson, Grade 5.

OUR SEWING CIRCLE

During the winter months the girls of our school take up sewing. At present we are making boudoir sets, dresser scarfs, lunch cloths, tea cloths and tea aprons. These are made out of flour sacks and designs are drawn by the girls, traced on them and embroidered.—Annie Fostey, Grade 6.

OUR BIRTHDAY POT

We have a birthday pot in which we collect money for the Junior Red Cross. When a pupil has a birthday, he or she brings as many pennies as she or he is old, and each of the other pupils brings one penny. These all go into the Birthday Pot, and my, how it does grow!

OUR CANDY SALE

Our second Candy Sale of the term will be held on Wednesday, Feb. 14, when we have our Valentine Party. The money from this sale will be sent to the Junior Red Cross, as was that of the last sale.—Doris Mulvehill, Grade 5.

HEALTH REPORT

Each morning I go around and ask if each person has cleaned his or her teeth and fingernails and make a record of this. I usually find the teeth and fingernails clean. At present everyone is in good health and well, except for a few pupils with colds. We are sorry to report that Grace Donnell is in the hospital and hope she will soon be well again and back at school with us.—Della Mulvehill, Grade 5.

BOYS' WOODWORK HOBBY

In the winter time when it is snowing or raining, the boys get their saws and start making different articles out of three-ply boards. Each person designs his own article and traces it on a board, then it is cut out and painted. After that is done, it is varnished. Some of these articles are sold and the money is sent to the Junior Red Cross. Others are sent to the local fair and the winners are given the prize money. Some articles are taken home.—Ernest Daneluck, Grade 6.

MY PET

My pet is a cat called "Tommy." I give him milk every morning and night. When we go to feed the calf he always follows us. When we go out to catch the bus

Bradner

SIX BASKETBALL TEAMS

We have six basketball teams in our school. There are four for the boys and two for the girls. Grades V and VI boys have two teams and at noon they play against each other. Grades VII and VIII boys also have two teams and they play at noon hour, too.

There are 16 girls in the senior room. Our teacher divided us into two teams, eight on each side. We are allowed to play basketball in the hall at noon hour on Tuesdays and Thursdays. We have yet to choose a name, for our team.—Ruth Alan, Grade VII.

We are two games ahead of the other teams, but we will have to keep playing hard. (Captain) M. E. Croisdale.

OUR SCHOOL PAPER

The senior room of Bradner school has started a school paper. We have the officers all elected: Editor-in-chief is Glen McConnell, co-editor is Mary Croisdale, reporters are: grade 8, Johnny E.; grade 7, Russell B.; grade 6, Isabel Donaldson; grade 5, Joe Brier. I hope the paper will be a success.—Alice Ehrenholy.

OUR NEW FIRE ALARM

A fire alarm has been installed in the school by Mr. Jones. A chain hangs low enough to reach. If you pull this chain, a loud clanging can be heard in both rooms. If there were a fire and the alarm were rung, everybody would hear it and march quickly out of the school before harm could come to them.—Russell Burmeister, Grade 7.

TO JOIN LEAGUE

The senior boys of Bradner school have decided to buy a football and join the league. Every boy is charged 15c or more if he can make it. We have nearly \$2 already. As soon as we get the ball we will organize our teams and challenge other schools to a friendly game.—Walter Kryger, Grade 7.

Richard McMahon, who had his appendix removed, has just returned to school.

EXAMINATIONS

In the month of January grades VII and VIII had two examinations. They were on science and social studies. Some of the marks were quite high but others were not so good.—Thelma, Grade 8.

P. S. H. S.

Under the management of Miss Latten, the Home Economics graduating class entertained the Advisory Board of the M.S.A. Educational Area recently to dinner.

BASKETBALL

The senior girls were the only team winning for Abbotsford when the school played Chilliwack high school. Intermediate boys team beat P.S.H.S. 24-14. The girls played a close game with the final score 14-12. The Chilliwack seniors beat our seniors 32-24. Cheer clubs of both schools supported their teams. Everyone showed an enthusiastic spirit.

PIE SALE

At noon recently the Girls' League had a pie sale and concert at which they cleared \$8.25.

STAGE COMEDY

The Drama Club put on an interesting comedy on Friday at noon. Those who took part in the play were: Hazel Reid, Phyllis McNelly, Aileen Mullin, Reid Cass and Jack Plazton. Under the direction of Mr. Topper, they expect to enter this play in the festival at New Westminster next week.

LEAP YEAR PARTY

Plans are well under way for the Leap Year party which the Girls' League expects to put on early in March.

CHEER CONTEST

Inter-class cheer competitions will be held in the gym this Thursday noon and the official leader and cheer team will be chosen.

NEIGHBOR TOWN STUDIES SEWERAGE

A bylaw will be prepared with a view to placing the village of Langley Prairie under a town planning commission. A sewerage system was urged to cope with the increasing population. This will involve expenditure of some \$20,000. Members of the council will visit Kelowna to inspect the recently-installed sewerage system there.

We have to make him run back home. I like my cat very much.—Bernice Heuer, Grade 4.

P.T.A.

We wish to thank our P.T.A. for the cocoa which they help us to buy. We do enjoy this each noon, especially when the weather is cold.—Peter Reddecopp, Grade 5.

ART

At present we are enjoying the fun of Valentine making.—Leslie Price, Grade 5.

These items arranged and copied by Annie Fostey, Grade 6.

GEORGE V. OGLE

C.P.R. agent at Mission for 20 years, who was promoted Monday to the railway's New Westminster agency, has a record for service that is outstanding in the west. He came to New Westminster with his parents from Dubuque, Iowa, in 1891, and began service with the Canadian Pacific at Huntingdon in 1896. He is widely known throughout the Fraser Valley. At Mission he is a member of the A.F. & A.M., past president of the Board of Trade, former chairman of the school board and has been associated with all community activities. At the Royal City he succeeds Charles Robitaille, superannuated.

WHATCOM FORMS COUNTY CHAMBER OF COMMERCE

Organization of a Whatcom County Chamber of Commerce in which all commercial and service clubs are eligible for membership, was effected at a meeting held last week at Lynden, Wn.

Irwin Le Cocq, president of the Lynden Business and Professional Men's Association, was named temporary chairman of the county chamber and Ed Kamperman was elected temporary secretary.

The purpose of the Whatcom County Chamber of Commerce will be to obtain county-wide support on problems affecting all of the towns and cities. The local county organization will become affiliated with the Washington Counties Chamber of Commerce which was organized recently at Mount Vernon.

HELP PLAN HIS TOMORROW—today!

The Canadian Legion's War Services are undertaken with the approval and active cooperation of the Canadian Government.

On Monday, February 12th, the Canadian Legion launches a financial appeal for \$500,000 to carry on a great, new and much needed program of educational and personal services among our enlisted men.

While the first job is to win the war, every man must be prepared for the inevitable return to Civil Life. The Canadian Association for Adult Education is collaborating with the Legion to provide educational and vocational training for our men.

Through its 1100 branches in Canada the Legion will assist in the solution of personal and business problems. Soldiers free of private worries are better soldiers. Legion services will also include facilities for leave, sports, reading, soldiers' concert parties and other entertainment.

Give generously to this great new cause. Send or take your contribution to your nearest Legion branch.

A DEMONSTRATION OF BOARD OF TRADE INITIATIVE AND NEIGHBORLY GOODWILL

Many thousands of persons viewed this exhibit by New Westminster Board of Trade at the 1939 Vancouver Exhibition and in doing so not only learned about the Port of Westminister but were reminded about the Fraser Valley. For example, a large show card, seen in the left foreground, suggests a visit to the Fraser Valley Fairs and gives their centres and dates. Hundreds of illustrated folders were distributed from this exhibit and the Fraser Valley was featured in each. Through co-operation of the Royal City Board, a large number of F.V. Scenic Loop folders were also distributed to interested parties.

Mt. Lehman

A whist drive was held Thursday night at the public school under auspices of the Red Cross. Prize winners were: firsts, B. Phelps and Mrs. Val. Heron; consolations, Ray Boury and Jim McGuire. Eleven tables were playing. Refreshments were served.

Under direction of Mr. Chester, the Mt. Lehman superior school has organized a stamp club with Miss Sheila Towlan as president and Miss Margaret Fowles as secretary. Grade eight has elected new officers for activity period: President, Margaret Fowles; secretary, Bernice Staff.

Fred Phelps has returned from work at Squamish.

R. Pelon is home from Squamish for a short stay.

Miss Beth White was the guest of Miss Eileen Nicholson at the weekend.

Mrs. G. Savitsky was a visitor to Vancouver for a few days during the last week.

Three basketball games were played in the Orange hall Monday evening. The junior boys and junior girls defeated the Aldergrove teams, but the senior boys were defeated by Aldergrove.

Dr. J. A. Taylor addressed the nursing class at the regular meeting on Monday evening. He will also address the class Monday.

Albert Lehman is the enumerator for Jubilee district.

The Pro-Rec class held a wienner roast after gymnasium on Friday night.

Little Willie: "Mom, you said the baby has your eyes and Daddy's nose, didn't you?" Mother: "Yes, darling." Willie: "Well, you had better watch him, he has grandpa's teeth now."

Aberdeen

The Ladies' Association met in the hall for the regular monthly meeting on Thursday. It was decided to hold the annual concert on March 15, and the young people taking part will meet during the week at the home of Mrs. A. E. Gledhill. It was unanimously voted to present debentures which had become due to the Community Club. The debentures, amounting to \$25, were taken by the Ladies' Association to assist the building fund of the Community hall. Tea was served by Mrs. W. T. and Mrs. Leonard Prasloski. Next meeting will be on March 7.

Mr. and Mrs. Layman and family were guests Sunday of Mr. and Mrs. Clarkson of Vancouver.

Harold Solomon is a patient in the M.S.A. Hospital.

Einar Lundberg met with a painful accident when a branch from a tree he was falling struck his eye. He was taken to Chilliwack hospital for treatment.

Miss Wanda Prasloski, who has been visiting her sister, Mrs. Nelson, at Nelson, has returned home.

The Ladies' Association whist drive will be held Friday this week at the homes of Mrs. A. E. Gledhill and Mrs. C. Morrison.

The library van will be at Henry's corner Thursday, Feb. 8, at 10:00 a.m.

PAINT FUMES CAUSE FATAL "LOCKER" BLAST

Three men died Saturday of burns suffered when an explosion rocked a locker cold storage plant at Sedro Woolley, Wn., Friday night. The men were painting the interior of an extension to the lockers, using a spray gun. The hot paint caused fumes believed responsible for the explosion. Clothes were burned off the men.

Court of Revision

of the Assessment Roll will be held in the Municipal Office on Thursday, February 8, at 10:00 a.m.

GEO. F. PRATT,
Municipal Clerk.

ABBOTSFORD PGETS PSTUCK IN THE PMUD; PDEFEATED AGAIN

Abbotsford soccer boys took another drubbing on Sunday when Chilliwack took them 5-0 in a game that went to pieces in the second half. At the change over Chilliwack led 1-0, having scored on a lucky one that dropped into the goal mouth. The muddy field tired the Abbotsford boys and the second half found Chilliwack getting the best of the contest. Harry Walker, Abbotsford forward, was put out of the game with a kick in the knee—considerably weakening the forward line (?).

This Sunday's game will be played at Mission and will probably find Stub Plowright on the field as referee.

SOCCER LEAGUE STANDING

Fraser Valley Football League standing as at Feb. 1, 1940:

Team	P	W	L	D	GF	GA	P
Langley	8	6	2	0	34	16	12
Chilliwack	8	5	3	0	24	22	10
Mission	7	2	5	0	7	11	4
Abbotsford	7	2	5	0	12	25	4

Leading scorers: Burnell, Langley 14; Ferguson, Chilliwack, 10; Waterston, Abbotsford, 5; Lewes, Chilliwack, 4; Southam, Langley, 4; Brandow, Langley, 3; Duckworth, Langley, 3.

DEWDNEY-ABBOTSFORD WIN GAME A PIECE

In two snappy games of basketball in PSHS gym last night, Abbotsford Intermediate girls lost to Dewdney on a 17-14 score, but Abbotsford Senior boys beat Dewdney 20-15. The local girls were putting up an apparently winning fight against a heavier, older team until the final minutes of play.

C.V.F.T. ANTICIPATES EARLY TENNIS SEASON

An early and active season was forecast at a meeting of the Central Fraser Valley Tennis Club held last week to discuss the possibility of putting the final coat on the surface of the four courts constructed last year. Members, it was stated, are already asking when they will be able to commence playing.

MATSQUI WINS FIRST PLAYOFF BASKETBALL TILT

Matsqui hoopsters realized a dream on Saturday when they defeated two Sardis league teams the same night. In the first of the playoff series Matsqui Intermediate B team won from Sardis by the convincing score of 32-16, and expect to "make the best 2 of 3 games series" a straight 2 games when they again meet Sardis on the latter's home floor on Friday night. If they do, it is likely Matsqui will go up against the winners of the Church League in Vancouver about Feb. 23. In the other games Saturday night, Matsqui seniors demonstrated what they could have done had they not reorganized during the league season when they beat Sardis 47 to 22.

GLOVE TOURNEY SUGGESTED FOR SCHOOL BOYS

Jim Macbeth, boxing chairman of the Athletic Association, and Jack Watson, secretary, have noted an increase in the interest of local boys toward boxing of late. Whether it is through inspiration of Ken Lindsay of Vancouver winning a championship or just that they realize it is a real, clean sport, is not known. At the next meeting of the A.A.A., Monday, Feb. 12, at 8 p.m. in the Abbotsford public school, arrangements will be discussed for staging a School Boys' Championship for the M.S.A. Area. Only boys in the Area will be allowed to compete, so they had better start training to be in shape to win a medal.

Bring your gloves up to the auditorium on Thursday evening.

A.A.A. MEETING

Abbotsford & District Amateur Athletic Association will hold its monthly meeting in Abbotsford public school at 8 p.m. Monday, Feb. 12. Everybody turn out.

GOOD TIME AT FUN HOUSE SOCIAL

The Matsqui Fun House held its first get-together on Tuesday, Jan. 30, in the form of a friendly mixed tournament and social evening with Bradner Pro Rees. Activities commenced with a rousing basketball tourney and continued on through badminton, ping pong and goodminton. It was topped by a generous sampling of the local girls' cookery.

Air authorities believe that for every photograph of Britain in German hands taken in reconnaissance flights since the war started, there are fifty of Germany held by Britain.

PINE GROVE HONORS MR. AND MRS. WEBB

Honoring Mr. and Mrs. A. R. Webb (formerly Madeline Ferguson) Pine Grove Community Club and Women's Institute held a miscellaneous shower in Pine Grove hall on Saturday evening. On arriving, the bride and groom were greeted by the guests joining hands in a circle and singing For They Are Jolly Good Fellows. Mr. and Mrs. Webb were the recipients of many useful and beautiful gifts including a dinner set given jointly by the Community Club and W.I.T.

ELECTION

(Continued from Front Page)
Cruikshank, Liberal candidate for Fraser Valley.

WHEELER COMMENTS

The Liberal candidate and his campaign manager are both veterans of the last World War, and Mr. Wheeler, commenting on his acceptance of the position, states that with the Empire again engaged in a life-or-death struggle with the German Reich, he is unable to associate himself with the utterances of some of the C.C.F. leaders.

"In the emergency now confronting our nation and the Empire, I feel it is our duty to present to the world a united front, represented by a strong government at Ottawa," Wheeler said.

H. J. Barber, M.P., was in Abbotsford and district on Tuesday and spoke in a similar vein to that in which he addresses the electors on page three.

M.S.A. BRANCH Red Cross Headquarters NOTES

At an executive meeting held Tuesday afternoon to appoint delegates to the Provincial Red Cross Council, it was decided that the entire executive would attend, if possible, and if not, the following five would carry the vote: Rev. F. S. Henderson, Mrs. R. Gilmore, Mr. L. Caldecott, Mrs. J. M. Rowley and Mrs. O. Heywood.

A few good knitters are asked to come to the workroom on Friday afternoon to re-knit the toes of socks which have failed to pass inspection. Bring knitting needles and a darning needle. Mrs. Gilmore will be glad to instruct anyone requiring assistance.

Knitters are asked to PLEASE adhere to instructions for the "grafted" toe.

PRESENTATION TO CLUB PRESIDENT

H. Stevens was re-elected president at the annual meeting of Pine Grove Community Club on Jan. 29. Other officers elected are: G. W. Taylor, vice-president; J. Penka, secretary-treasurer; directors, M. Lay, H. Larsen, A. Pearson, H. Williamson, Mrs. V. Ferguson; social committee, Mrs. A. Pearson, Mrs. M. Foster, Mrs. A. Mockford, Mrs. A. Price; auditors, G. W. Taylor and Mrs. A. Pearson. During the evening a very pleasing event took place when a presentation was made to H. Stevens in appreciation of his untiring efforts in community work.

AMUSING CONTEST

Gifford Community Club held a whist drive and dance in the school Friday when 14 tables of whist were in play. Prize winners were: Miss Peachey and Mr. Harkies, consolation, E. Alverson and Miss Freida Klukas. A special attraction was a contest between three women and three men, the women being blindfolded and feeding the men; winners were Miss June White and David Thompson.

ENGINEERS

(Continued from Front Page)

submit their appeals to it. Several applicants for relief were dealt with.

Salvation Army representative appeared asking for the usual grant which he was assured would be made, though semi-annually as in the past.

Reeve Cruikshank reported he had received another letter from the Dominion Government regarding Matsqui's complaint of damage done to the dyke at Mission bridge. It is the reeve's contention that constant dumping of rock by the railroad to protect piers of the bridge is diverting river currents which are causing erosion of the river bank and endangering the dyke. The reeve will meet the government engineer and two C.P.R. engineers at the scene this week.

It was decided the council as a whole will inspect and accept the new gravel truck recently ordered from R-T Garage.

Reeve Cruikshank was granted a month's leave of absence and Councillor James Simpson was appointed Acting Reeve. At the council's request the reeve agreed to give the acting reeve all possible assistance and attend any meeting or conference that might be held to assist in the discussion.
